Dear Sir,

This letter is issued to formally confirm that the GLOBALG.A.P. renewal audit conducted in accordance with the applicable GLOBALG.A.P. General Regulations, Control Points and Compliance Criteria, and the specific rules governing the above-mentioned add-ons.

The audit was performed by a qualified and approved GLOBALG.A.P. auditor, following the official GLOBALG.A.P. audit methodology, sampling rules, and integrity requirements.

In accordance with the GLOBALG.A.P. General Regulations, the audit report has been submitted for independent technical review to verify compliance with all applicable requirements and the correct implementation of certification rules. Upon successful completion and approval of the technical review, the audit file will be

presented to the Certification Committee for a final and independent certification decision.

The GLOBALG.A.P. certificate and the applicable add-on letters of conformance will be issued only upon formal approval by the Certification Committee and full compliance with all certification requirements.

This letter is issued upon the client's request as a confirmation of audit conduct without any liability on the Certification Body.
